

ADI Group Inc.  
named one of Canada's 50 Best for fifth consecutive year

Fredericton, NB, Feb. 12, 2009 - ADI Group Inc., New Brunswick's largest provider of architectural, engineering and design-build services, has been recognized as one of Canada's 50 Best Managed Companies for the fifth year in a row. ADI has met rigorous standards to continue to requalify for it.

"We are honoured to have ADI among the very best companies in Canada," stated Hollis Cole, President of ADI Group Inc. "To consistently be placed in the 50 Best demonstrates that ADI provides exceptional service to our clients and continues our commitment to innovation. This award is a testament to the dedication and excellence of our employees."

ADI now has 23 offices in three countries. Each office strives to deliver a high level of service whereby employees are passionate about what they do, and have the opportunity to contribute new ideas. This type of culture allows our staff to make a positive impact, and underscores the difference being employee-owned can make."
